***The Friends  
of the  
Sunnyvale Public Library***

*Serving the community  
for more than 40 years*

## ***The Friends of the Sunnyvale Public Library***

Friends groups are a traditional part of a library's program. They are organized by citizens interested in books and libraries and who want to assist the library in achieving its goals.

The Friends of the Sunnyvale Public Library was organized in early 1965 and was incorporated in the spring of 1967. The Friends supplement the Library's total program by participating in volunteer activities, raising funds and promoting the library in the community.

### ***Where We Get Donations***

Our main donation source is you. We depend upon your donations! Our secondary source is library discards. Books can be placed in the depository just inside the library entrance or at the Checkout Desk (get tax receipts here). Arrangements for transfer of large collections, estate donations, endowments or bequests can be made by calling the library at (408) 730-7314. Donations are welcome at any time during the library's open hours.

### ***What We Do***

- Provide the library with a regular volunteer group which performs varied tasks.
- Raise funds to purchase special materials and equipment not provided for in the regular Sunnyvale Public Library budget through a variety of special events including three book sales held annually in spring, summer and fall.
- Offer special book-related items for sale.
- Work with and through professional and community associations to inform others about the library.
- Assist the library and the Sunnyvale School District in financing the RIF program (Reading is Fundamental).
- Sponsor library programs.

## ***An Invitation to Join***

The Friends of the Sunnyvale Public Library welcomes as members all those who are interested in the library.

Completed applications and membership fees may be left at the library's Checkout Desk or mailed to:
